What is a Phrasal Verb?

Phrasal verbs are verbs that are made up of a verb and a preposition or adverb. They are often used in everyday English and can be confusing for learners. For example, "I will look up the word in the dictionary" and "I will look after the children".

The Just Phrasals Course

The Just Phrasals course is a comprehensive guide to understanding and using phrasal verbs. It covers a wide range of common phrasal verbs and provides examples of how to use them in context. The course is designed to help learners improve their understanding of phrasal verbs and use them more confidently in their speaking and writing.
